

**Charity plant sale, Vegetable and Herb plants grown by
Transition Wirksworth Growers, Rotary and U3A Gardening Group**

We will preserve social distancing by accepting orders by e-mail or text and giving you a set time to collect so that only one person comes to the community garden [opposite the junior school] at once. Please make your collection time part of your daily exercise so we stay within the rules.

If you are self-isolating, your order can be delivered [locally], please include your address.

Please e-mail your order to wirksworthti@gmail.com or text 07884968392 as soon as possible and not later than 6th May.

Payment is by cheque or the EXACT amount in cash. No change will be given.

[You may wish to bring a little extra cash in case unlisted items are available on the day.]
